

Errata for “Combinators for Streams”

Koji Nakazawa

April 5, 2012

Page 2, Fig.1: The side conditions for η_T and η_S should be $x \notin FV(M)$ and $\alpha \notin FV(M)$, respectively.

Page 3, Fig.2: The axiom for W_1 should be $W_1 \cdot T_1 \star S_2 = T_1 \star S_2 \star S_2$.

Page 3, Definition of λ^* : The first case should be $\lambda^*x.x = S_0 \cdot K_0 \cdot K_0$.
